Advanced Power Solutions is a leading provider of cutting-edge power supply solutions and services. With a commitment to innovation and quality, we offer a wide range of power supplies designed to meet the diverse needs of our customers across various industries. Our comprehensive product portfolio includes AC-DC power supplies, DC-DC ...

Clean and green power. Our green commitment is evident in the actions we take, such as the windmill on our Belgian factory premises, which compensates for 25% of our energy consumption in Belgium. Additionally, we have built a small solar farm for our Polish factory, which generated in 2023 - 23 MWh.
