Arecor's office and laboratory is located at Chesterford Research Park in Little Chesterford. The Park is set within 250 acres of idyllic parkland near Cambridge and is home to companies that are making a real difference. Scientists, investors and entrepreneurs work side by side at the Park, developing life-changing drugs within a sustainable ...

Arecor's innovative and lower risk pipeline is making tangible progress. Management has created a broad and well-balanced pipeline of innovative products that potentially offer similar milestone and royalty streams to classic drug discovery plays, yet with lower development risks and in a less costly and more rapid manner.

Alok is a multifaceted individual whose humility and modesty may initially mask his intriguing personality. However, those who truly understand him find themselves welcomed into a realm of knowledge passed down by our esteemed ancestors.
 Having earned his Master's degree, Alok embarked on his professional journey at ARECOR previously ...
