

Australia solar finance system

Who is solar financial solutions?

SOLAR LEASING Our vision at Solar Financial Solutions is for Clean Energy to be available to everyone. That's right everyone. We aim to become the leading provider of innovative clean energy finance solutions in Australia via solar finance loans, solar leases and other products. That's \$0 down and start paying less for the energy you use.

How does Australia encourage solar energy adoption?

The Australian government encourages the adoption of solar energy through various incentives and rebates. One such initiative is the Small-scale Renewable Energy Scheme (SRES), which provides financial incentives for small-scale solar installations.

What are Australian solar rebates?

Australian solar rebates are designed to significantly reduce the upfront costs of solar systems for homeowners and businesses. By taking advantage of both federal and state incentives, you could save thousands on your solar energy system.

Is there a no interest solar loan program in Australia?

The Australian Government's no interest Green Loan program was closed to new applicants back in 2010. Although there are some solar rebates, there are currently limited government solar loans available to residential and small business customers.

Do you need financial assistance to invest in a solar energy system?

If you need financial assistance to invest in a solar energy system, many banks and financial institutions offer solar loans with attractive interest rates. These loans enable you to spread the cost over time while still benefiting from solar energy's long-term savings. Not everyone can afford the upfront cost of purchasing a solar energy system.

What solar grants are available in NSW?

NSW Solar & Energy Efficiency Grant for Apartments: Grants cover up to 50% of solar installation costs for apartments, plus subsidies for shares in offsite solar gardens. Empowering Homes Program: Offers interest-free loans up to \$14,000 for solar-battery systems for eligible households with income under \$180,000.
