

Barbados portable solar generator with solar panels

If you already have 240V appliances at home or in your RV or boat (e.g. a water heater, cooking range etc.), then it makes sense to get a 240V solar generator to power them. A 240V solar generator is also ideal if you are planning to buy some 240V appliances. You can power these appliances off-grid or keep them running in case of an emergency.

The lightest and most portable Jackery Solar Generator 500 is easy to maintain. All you need to do is wipe the SolarSaga solar panels and Explorer Power Station with a clean cloth to improve efficiency and harness the power of free renewable energy. Connect the solar panel to Explorer 500, and you'll have a portable solar system ready in 60 seconds!
