Who is bboxx & EDF Togo?

Bboxx and EDF Togo is transforming lives and unlocking potential by connecting consumers and deploying innovative products across the country. We have been operating in Togo since 2017, after being awarded a tender to install solar home systems across the country, largely in rural areas.

Who is bboxx?

Since then Bboxx has grown to a strong global company of 4,000 employees, united by its purpose to transform lives and unlock potential by connecting consumers and deploying innovative products across Africa.

What is bboxx with EDF?

In 2019, Bboxx avec EDF customers in Togo receive a subsidy to spend on solar energy- which is the first even government subsidy for the purpose of solar energy payments in Africa. This forms part of the Togo Government's national electrification strategy, the "CIZO" initiative - which means lighting up in the local "Guin" language.

Why is bboxx a gold standard certified company?

"This Gold Standard certification solidifies Bboxx's position as a leader in decentralized clean energy, showcasing the company's dedication to innovation, social impact, and environmental stewardship, as well as meeting and surpassing the rapidly evolving expectations of our consumers," Anthony Osijo, CEO of Bboxx, told Renewable Energy Magazine.

What is bboxx's eco-friendly cooking program?

As the magazine explained, Bboxx's eco-friendly cooking program uses the tech company PayGo Energy to connect residents with clean-burning cooking fuels and appliances. The pay-as-you-go technology allows customers to pay only for the energy they consume.
