

Bboxx solar products Paraguay

Who is bboxx & ecoENERGY?

Bboxx and EcoEnergy, a leading affordable solar energy provider in Pakistan, have been operating together since 2017 to connect consumers with clean energy in Pakistan. The partnership focuses on Bboxx's hero product - our bPower50 solar home systems and other larger equipped solar installations.

Why should you choose bboxx solar power?

Bboxx solar power is affordable and they made it very convenient for one to pay. With the solar pump I can work until the night if I need to without paying for electricity or fuel. With our Bboxx EDF Solar Home System, we now have access to reliable light and the feeling of being in the city.

Why should you choose bboxx EDF solar home system?

With our Bboxx EDF Solar Home System, we now have access to reliable light and the feeling of being in the city. We first started as Bboxx EDF customers using a Solar Home System in Togo and this has helped us a lot in our daily lives. Bboxx has provided light to my home. My family feels safe, and the children are happy now.

What does bboxx do?

BBOXX PRODUCES BBOXX produces solar kits, residential solar installations, energy kiosks and efficient accessories for sales in the developing world. Solar kits offer 10Wh to 1kWh of electricity, while solar installations offer 2kWh to 20kWh of electricity.

What is a bboxx energy kiosk?

BBOXX Energy Kiosks rent solar kits to local communities, providing basic electricity for lights and phone charging. By also offering accessories such as LED lights, phone chargers, televisions and refrigerators. BBOXX provides more than just solar lanterns, BBOXX provides complete energy solutions.

What makes bboxx a Super platform?

We are a vertically integrated business, and our data-driven super platform business model combines two pillars: Bboxx Pulse™; Bboxx's proprietary fully integrated operating system and an extensive on-the-ground network to connect customers with clean energy, clean cooking, smartphones, e-mobility and selected financial products.

We are a data-driven super platform, transforming lives and unlocking potential by connecting consumers and deploying innovative products across Africa. To date, we have positively impacted more than 3.6 million lives and helped to make progress on a host of the United Nations' Sustainable Development Goals (SDGs).
