

Who is JAKs solar power Sdn Bhd?

In March 2021, JAKS Solar Power Sdn Bhd, a wholly-owned subsidiary of JAKS, was awarded for the fourth cycle of the large scale solar under Package 2 for the capacity of 50 MW ("LSS4"), our first pilot project. This project rides on Global Environmental, Social, and Governance ("ESG") standards / Renewable Energy movement.

Who is JAKs Resources Berhad?

JAKS Resources Berhad Group of Companies ("JAKS") is primarily engaged in water supply and infrastructure construction projects, property development in Malaysia, as well as power generation in Vietnam. Power Build-Operate-Transfer Thermal Power Plant / Renewable Energy We embark on a new journey in power generation. Construction

How will JAKs benefit from a 50MW solar PV project?

"The commercialisation of the 50MW Solar PV Project will provide JAKS with a steady stream of income for the next 25 years. Moving forward, we will actively participate in more renewable energy projects which is in line with the global drive to embrace greener energy solutions," he added.

Is JAKs incorporating ESG into our business strategy?

JAKS is currently working to incorporate ESG as core of our business as we understand how important the ESG will impact our business strategy. We have signed the power purchase agreement with TNB in August 2021 and have successfully achieved financial close and commenced operation in March 2022.
