

Centrica energy storage limited Denmark

What is Centrica Storage Limited?

The long term aim for Centrica Storage Limited is to turn Rough into the largest long duration energy storage facility in Europe, capable of storing both natural gas and hydrogen with the goal of bolstering the UK's energy security. Formerly Centrica Storage Limited (CSL), we have recently changed our name to signify a change in ambition.

Who is Centrica Energy?

Centrica Energy is a renewable energy trading company operating out of eight offices across all time zones to move energy from source to use. Our mission is to drive the green transition while offering sustainable and predictable energy costs for energy producers, suppliers and offtakers. In short, we call ourselves energy movers by nature.
