The SWS-200 is designed for use in applications where accurate and reliable visibility measurements are required, with the addition of WMO 4680 present weather codes. The SWS-200 Present Weather Sensor has a measuring ...

The Territory of Christmas Island is an Australian external territory in the Indian Ocean comprising the island of the same name. It is located approximately 350 kilometres (190 nautical miles) south of Java and Sumatra and about 1,550 km (840 nmi) north-west of the closest point on the Australian mainland. With an area of 135 square kilometres (52 sq mi), [8] Christmas Island's ...

Sterling and Wilson Solar Solutions (SWSS) has secured a \$99m contract to construct a 194MW solar project in the US. Construction will begin in September. Skip to site menu Skip to page content. PT. ... (MEM) of Morocco suggested to raise the share of renewable capacity in the country's total power installed capacity mix to 80%.

Christmas Island's proximity to Indonesia meant that boats carrying asylum seekers began landing on the island from the late 1980s. The island was the site of the 2001 Tampa affair, when the Australian Government stopped a Norwegian vessel, the MV Tampa, from entering Australian waters to unload 438 rescued asylum seekers on Christmas Island.

Key to changing the energy mix is effective energy storage solutions, where energy is produced energy needs to be stored and consumed when demand doesn't meet production. IPS is working in innovative compressed air storage solutions, in cooperation with CTG, for storage of energy in the ground, as well as traditional options like large scale ...
