

How does the EU support the Democratic Republic of Congo?

The EU supports the sustainable and inclusive development of the Democratic Republic of Congo, in line with the National Strategic Development Plan (PNSD) and the Global Gateway strategy.

How much money does the EU give to the DRC?

The EU allocated EUR424 million grants to the partnership with the DRC for the period 2021-24. The DRC also benefits from regional and global EU programmes. Multiannual Indicative Programme 2021-2027 for the Republic Democratic of Congo Special measure 2024 for the Democratic Republic of Congo

What is the relationship between the EU and Congo?

The relations between the EU and the Republic of the Congo are established within the framework of the Cotonou Agreement, which has the central objective of reducing poverty. The fight against poverty follows a global development strategy, evaluated using qualitative and quantitative indicators.

What is the ambition of the EU in the Republic of Congo?

The ambition of the EU in the Republic of Congo finds its inspiration in the fundamental EU values of respect for human dignity, freedom, democracy, equality, the rule of law, and respect for human rights, including minorities.

Why is the Congo's economy not diversified?

However, this lack of diversification shows that the economy depends heavily on the oil sector. The Republic of the Congo mainly exports to Asia, and in 2007, Europe represented just 8 % of exports. However, the EU is the leading supplier of import goods (54 % of imports in 2007).

Why is the Republic of Congo important?

The country is a founding member of the ' Blue Fund for the Congo Basin ' and of the ' Global Peatlands Initiative '. After long periods of political instability, particularly during the 1990s, the Republic of Congo is today an important centre of stability in the Central African region.
