DAEL SOLAR vous accompagne de A à Z, partout en Afrique, pour vous permettre de produire, consommer et vendre de l'électricité renouvelable ! Centrale solaire au sol. Développez votre activité en utilisant votre terrain inutilisé : DAEL SOLAR connaît pour vous une installation photovoltaïque au sol 100% personnalisée.

Ecosun Aruba works with the very highest quality materials. We only use well known and reputable brands for our panels and inverters. Furthermore, all our solar panels are certified for usage in salty and windy environments like we have on Aruba. But even our cables and connectors are carefully chosen for their quality. We want our systems to last.

Leading global travel provider Interval International has confirmed the extension of their affiliation deal with the Caribbean based Eagle Aruba Resort & Casino. The shared ownership resort that includes 362 units is situated close to the famous Eagle beach.
