

Ek power solutions ab Tanzania

Who are Ek power solutions & cumatix AB?

On June 1st 2024, EK Power Solutions is joining forces with Cumatix AB, a leader in components and solutions for controlled motion. Both companies are members of the Addtech group. Our combined efforts with Cumatix marks the start of an exciting new chapter.

Why should you choose Ek power solutions?

Choose EK Power Solutions for an integrated, knowledgeable approach to your project's needs. In our development projects, we adhere to an established process infused with agile methodology. This approach allows for adaptability and quick response to changes, ensuring your project remains on track and up-to-date.

Will Ek power solutions be merged with cumatix?

The EK Power Solutions brand will live on. Although it will be integrated into Cumatix's corporate number, the values, quality and expertise that EK Power Solutions represents will live on and be visible in our merged offering in the near future.
