Who is ET Solar?

Congratulations To ET Solar On Its 15th Anniversary Of Leading The U.S. Market! Powering the Future: Elite Solar is a pioneering solar PV manufacturer specializing in innovative photovoltaic panel systems & solar cells for utility, commercial, and industrial use.

Does Elite solar re-brand?

number of large-scale utility projects across the country. For an interim period, EliTe Solar has appeared on the Q3 2023 BNEF Tier 1 listing as "ET Solar Inc /Elite Solar," and it is important to note that the re-branding has no impact on the company's legal or shareholding structure, nor does it affect its manufacturing locations.

Is ET Solar re-branding Elite solar?

ET Solar has announced its global re-branding to EliTe Solar, effective immediately. With over 15 years of experience as a trusted supplier of solar modules in the US market and nearly 20 years in global markets, the California based company is updating its brand to reflect the "elite" nature of its products and services.
