Gabriel Mbaga Obiang Lima, issuing a mandate during a virtual meeting this month for all oil and gas workers to be...

What makes Equatorial Guinea unique?

It is known by many that Equatorial Guinea not only has wonderful biodiversity that makes it a paradisiacal place--the intense green of its leafy vegetation, the pleasant climate, the fauna marked by the variety of primate species... But the icing on the cake that makes this country authentic is, without a doubt, its beaches. 2024 VFS Global Group.

What radio stations are in Equatorial Guinea?

The principal means of communication within Equatorial Guinea are three state-operated FM radio stations: the BBC World Service, Radio France Internationale and Gabon-based Africa No 1 broadcast on FM in Malabo.

Is human trafficking a problem in Equatorial Guinea?

Human trafficking is a significant problem, with the U.S. Trafficking in Persons Report identifying Equatorial Guinea as a source and destination country for forced labour and sex trafficking.

What is happening in Equatorial Guinea?

Corruption, poverty, and repression continue to plague Equatorial Guinea under President Teodoro Obiang Nguema Mbasogo, who has been in power since 1979. Vast oil revenues fund lavish lifestyles for the small elite surrounding the president, while a large proportion of the population continues to live in poverty.

When did Equatorial Guinea start producing oil?

Equatorial Guinea experienced rapid economic growth in the early years of the 21st century due to the discovery of large offshore oil reserves in 1996. Production peaked in late 2004 and has slowly declined since, although aggressive searches for new oil fields continue.

Pepe-soup is a spicy soup that is prepared in a very simple way with water, salt, local spices, and fish. The soup gets its name from the use of "pepe," which refers to hot chili peppers that give the soup its spicy flavor. All the ethnic groups of the country share this dish and, strangely enough, it is only eaten in the company of friends or family during the mornings.
