

Frames a plug power company Brazil

Why did Plug Power acquire frames group?

The acquisition of Frames Group adds engineering, process, and systems integration expertise to Plug Power, enabling the company to scale the delivery of green hydrogen solutions.

Who is Plug Power & frames group?

Plug Power Inc., a leading provider of turnkey hydrogen solutions for the global green hydrogen economy, completed the acquisition of Frames Group, a leader in turnkey systems integration for the energy sector, following the definitive agreement announced on Nov. 9, 2021.

What will plug power do with frames?

The Frames acquisition will support Plug Power's goal to reach an installed electrolyzer capacity of three gigawatts (GW) by 2025. Plug will combine its world-class stack technology with Frames' systems integration capabilities to deliver a range of turnkey electrolyzer solutions from one megawatt (MW) containers to 1,000 MW standalone plants.

Does frames have a relationship with Plug Power?

Frames' relationship with Plug Power goes back to 2017. "We are delighted to become part of the Plug Power organization," said Frans Roozendaal, CEO of the Frames Group. "There is a great cultural fit and alignment between our teams, which we have developed over the years as partners.

What revenue opportunities will frames have from Plug Power?

Revenue opportunities from the acquisition include an order backlog valued at approximately EUR100 million and a sizeable project pipeline that will generate revenues through 2023 with major on-shore and off-shore energy providers seeking to transition to renewable energies and green hydrogen. Frames' relationship with Plug Power goes back to 2017.

What does Plug Power do?

Through the acquisition of Frames, Plug Power continues to build out its capabilities to deliver a range of turnkey electrolyzer solutions from one megawatt (MW) containerized systems to 1,000 MW standalone plants. Plug Power is building the hydrogen economy as the leading provider of comprehensive hydrogen fuel cell turnkey solutions.
