Same thing if you wanted to have a larger array you needed too many strings of batteries to get the charge rate you wanted. I never used them just trouble shooted a battery bank for someone. I found that flooded lead acid beat them even factoring in midlife battery change out. That was 3 years ago maybe prices have changed. Cheers, David

Greenrock : "groene" manier van energie opslag. Greenrock : "s werelds veiligste en milieuvriendelijkste zoutwater batterij.
