

How much does a 5kw solar panel cost in Gujarat?

The 5kW solar panel price in Gujarat ranges between Rs. 3,15,000 to Rs. 3,57,000. It depends on various factors like size, material, efficiency, brand, etc. You can avail of the subsidy of Rs. 58,352 under the central government solar policy. On-grid solar system vs a hybrid solar system - which is suitable for my home?

What factors affect solar system prices in Gujarat?

Solar system prices in Gujarat are influenced by various factors including the capacity of your solar system, and the type of solar system i.e., a grid-connected solar system or a hybrid solar system. However, note that only grid-tied solar systems are eligible under the national solar subsidy scheme.

Why is Gujarat a good place to buy solar panels?

Gujarat stands at the forefront of residential rooftop installations. A lion's share of the market belongs to the Western state due to its progressive policies. The rapid technological advancements have helped to bring down the solar panel price in Gujarat. Let's take a look at some of the key initiatives taken by the state government.

Why is Gujarat introducing rooftop solar panels?

The government keeps introducing rooftop solar schemes that have promoted the rapid adoption of solar panels in the state. Schemes like the Surya Gujarat Yojana have encouraged over 2.3 lakh consumers to register through a common web portal for setting up connections. Net metering was introduced to help people save up on electricity bills.

Does Gujarat have solar power at night?

All the households have solar rooftops that cover the electricity needs during the daytime. However, a mega-sized 15 MWH battery storage system and the 6MW ground-mounted solar plant generate energy during the night. The entire plant was set up by the state government's GPCL (Gujarat Power Corporation Limited).

What is a rooftop solar subsidy scheme in Gujarat?

The Ministry of New and Renewable Energy's Rooftop Solar Programme Phase 2 offers fixed financial aid on grid-tied solar rooftop systems in Gujarat and all over India. The subsidy scheme aims to cut the upfront cost of solar PV systems for individual households and housing societies.
