

What is intilion energy storage?

INTILION offers you innovative and clean lithium-ion energy storage solutions for stationary energy storage.

Who offers the best lithium-ion energy storage solutions?

INTILION AG, a company of the HOPPECKE Group, offers the ideal lithium-ESS energy storage solutions to meet your challenges. It is specialised in the supply and installation of lithium-ion energy storage solutions with storage capacities ranging from 70 kWh to 100 MWh.

Who is intilion?

It is specialised in the supply and installation of lithium-ion energy storage solutions with storage capacities ranging from 70 kWh to 100 MWh. Both standard and customised solutions are offered for commercial, industrial and grid applications. visit [INTILION.com](https://www.intilion.com)

The Battery consists of nine modules (the "Battery Module"), each comprising multiple lithium-ion cells (the "Battery Cells"). INTILION Aktiengesellschaft ("INTILION") grants a product warranty on all aforementioned Battery System Components (the "Product Warranty"). INTILION also grants a performance warranty solely on

Die INTILION AG befasst sich mit der Lieferung und Montage von Lithium-Ionen-Energiespeichersystemen mit einer Speicherkapazität von 70 kWh bis 100 MWh. Für Gewerbe, Industrie oder Energieversorger werden sowohl Standard- ...

INTILION's portfolio of solutions and services is leading the way to a decarbonised, flexible and digital energy sector, enabling the transition towards climate-neutral, renewable and clean energy use. The company's ...

INTILION | scalestack 9 2 Safety Failing to observe the following safety instructions can have serious consequences. DANGER - Environmental damage due to escaping hazardous substances - Failure of important assembly functions - Danger to persons due to electrical, mechanical, or chemical influences Read the safety instructions and warnings in this section ...

The INTILION | scalestack battery system is connected to two existing PV systems with a total. [Learn More >](#)
Energy storage provider INTILION postpones planned IPO Paderborn, 10 July ...

to 10 modules ("battery module"), which are equipped with several lithium-ion cells ("battery cell"). INTILION Aktiengesellschaft ("INTILION") grants a product warranty ("Product Warranty") for ...

Stabilizing power grids using INTILION's battery storage systems with backup-power capability [Read More](#)
> 1. December 2022 Power grid of the future [Read More](#) > 19. September 2022 Stadtwerke: Primary and secondary control power increased retroactively [Read More](#) > 23. August 2022 ...
