

Israel industrial battery bank

Is IIB a reliable battery supplier in Israel?

In the rail field, IIB is an authorized supplier to Israeli rail, Simense rail & Bombardier. IIB holds the lion share of the Israeli market for stationary batteries, especially in the telecom sector. Its line of products includes special and innovative Aerospace & defense batteries products supplied by EnerSys & Sunlight .

Who makes flooded stationary batteries in Israel?

IIB holds the lion share of the Israeli market for stationary batteries, especially in the telecom sector. Its line of products includes special and innovative Aerospace & defense batteries products supplied by EnerSys & Sunlight . IIB produces flooded stationary batteries. In VRLA stationary batteries an in-country content is applied.

Did sunlight group buy Israeli industrial batteries energy storage systems?

February 16, 2023: The Sunlight Group gave details of its latest acquisition on February 14 -- taking a 51% controlling stake in Israeli Industrial Batteries Energy Storage Systems.

Who makes electric forklift batteries in Israel?

IIB has a fully automated plant for the production of lead acid flooded stationary batteries. Sunlight said IIB also holds the lion's share of the electric forklift batteries market in Israel, as the main supplier for OEM truck dealers and importers including BT-Toyota, Hyster, Yale, Jungheinrich, Linde, and Still.

Is IIB a SAFT battery dealer in Israel?

IIB holds an ISO 9001 2015 certificate since its inception and adheres to the highest international standards of quality in its products and services. For the past two years IIB started introducing Li Ion batteries for traction & stationary application. IIB is Saft batteries dealer in Israel.
