Who is Qingdao Greef?

Qingdao Greef New Energy Equipment Co.,Ltd is global supplier which focus on permanent magnet generator and wind turbine system solution. We provide customized 500 watt to 5 megawatt Permanent Magnet Generators which suitable for Wind Turbine,Hydro turbine and other renewable energy system.

Who is Greef engineer?

GREEF Engineer specializes in providing customized solutions for new energy power generation. We excel in integrating and designing photovoltaic,wind,and hydropower systems.

Who is Greef international sale?

The GREEF International Sale team is a highly experienced and dedicated group of professionals. With an average of over 5 years of experience in the new energy power generation industry,they have extensive knowledge and understanding of the latest technologies and market trends.

Where are Greef products exported?

GREEF Products have been export to all over the world,like Europe,South America,North Americaand other countries. All products have CE approvals with 3 to 5 years warranty,the quality and on-time delivery are guaranteed by Alibaba.

Why should you choose Greef products?

With a fast service system,we can assist our customers to save cost and time. GREEF Products have been export to all over the world,like Europe,South America,North America and other countries. All products have C E approvals with 3 to 5 years warranty,the quality and on-time delivery are guaranteed by Alibaba.

China Permanent Magnet Generator, Radial Flux Brushless/Three Phase AC Synchronous Low Rpm/Speed Permanent Magnet Alternator/Generator Price for Wind Turbine Customized,Low Rpm Permanent Magnet Generator 1kw - 5000kw, High Output Permanent Magnet Alternator by China manufacturer - Qingdao Greef New Energy Equipment Co., Ltd.

Qingdao Greef New Energy Equipment Co., Ltd. Concentrates on international business about new energy products. We are located near Qingdao Airport. And we have five branch offices in China mainland. We have cooperation with hundreds of factories in new energy field. Our main products are as follows: 300W -50kW wind turbines, solar and wind ...
