For those who prefer outright ownership, MTN Lumos offers two systems on Jumia Nigeria: Lumos Eco: 1 x 80W solar panel; Basic setup for smaller needs; Lumos Prime. 2 x 80W solar panels; More powerful for greater energy demands; Say goodbye to blackouts and hello to a brighter future with MTN Lumos

The Power output: Lumos Prime comes with 85 watts output while Lumos L1 supports 150 watts output, this simply means that the L1 is stronger and designed to power more appliances than the Lumos Prime. However, when it comes to power storage, Lumos Prime offers a 330-wh while Lumos L1 has a 320-wh.

Lumos Prime. 2 x 80W solar panels; More powerful for greater energy demands; Things to Consider. Pay As

Lumos prime solar French Polynesia

You Go offers affordability but requires consistent payments. One-time purchase gives you full ownership but has a higher initial cost. Your energy needs will determine the best solution for you.

I saw the Lumos ECO solar system going for N163,800 while the Prime solar system goes for N220,100. If you can afford any of the solar systems then you will overcome the monthly subscription fees because you have paid outrightly. However, Lumos also offers to pay as you go for those who can not afford to buy the solar system but prefers instalment payment.
