Proton Motor Delivers Self-Sufficient Fuel Cell Power Plant; Xelectrix - An Industry Voice; BlueSky Energy - An Industry Voice; 6th IBESA U.S. Storage Day; I-KWH Engineer and Initiate Ambitious Micro-Grid for EV Charging ...

The xelectrix Power Box's customers are mainly in the mid-range field of storage systems, meaning industry and commerce. In the market for domestic storage systems, we play a very minimal role. In this area, our dimensions are usually too large, we have too many technical features and for that reason are also simply too expensive. ...

Das österreichische Unternehmen xelectrix Power hat sich auf Energiespeicher und deren Optimierung sowie Steuerung spezialisiert. Die Spezialisten aus Mauthausen können mit Energiespeichersystemen im Bereich der E-Mobilität, Generatoren-Hybridisierung und Lastoptimierung die Baustelle der Zukunft aufwarten.

Present in 60 countries around the world, its flagship Power Box range of battery energy storage units, which offer diesel savings of up to 40%, are available via its dealer network and system partners. Xelectrix Power said that Lehner's construction industry and leadership experience would help it become a major industry provider.
