Who is GSL energy?

Through your continued use of our website, you consent to the use of cookies. GSL Energy is the leading lifepo4 battery manufacturer in China, with 12 years of expertise in manufacturing and researching lithium-ion batteries. Our focus lies in the development, sales, and production of household energy storage batteries, commercial &

Why should you choose GSL energy?

GSL ENERGY has always adhered to independent innovation, and has already possessed advanced lithium-ion battery module development and design capabilities, good cost control ability, and reasonable market positioning, which lays the core competitiveness for the customized service of lithium battery enterprises.

What is GSL energy residential ESS?

GSL ENERGY Residential ESS utilizes advanced LiFePO4 cell technology, known for its superior thermal stability, high cycle life, and excellent safety profile. With its advanced Battery Management System (BMS) and modular design, this battery ensures long lifespan, high power density, and complete protection for your energy storage needs.

What is a GSL power storage wall?

GSL Power storage wall is a battery that stores energy, detects outages and automatically becomes your home's energy source when the grid goes down. Your system detects outages, powers your home and electric vehicle with backup energy and automatically recharges with sunlight to keep your appliances running for days.

What is GSL energy business scope?

GSL ENERGY business scope covers the global market. It has formed strategic partnerships with many famous brands in the world, and exported to more than 90 countries, including the United States, Canada, the United Kingdom, Australian CEC, and Italian CEI-021 standards.

GSL Energy manufactures and supplies solar lithium iron phosphate batteries, also known as solar storage batteries, solar lithium batteries, LiFePO4 lithium battery packs, and LiFePO4 battery storage systems. GSL Energy is a LiFePO4 battery manufacturer specializing in customized lithium battery storage solutions. GSL series are modular stacked design solar ...

Dear Sir, Thanks for your interest in GSL products. Please send your enquiry to Mr. Jim Deng at [jimdeng@gsl-energy](mailto:jimdeng@gsl-energy).
