Dr. Bukola Olusola, MD, Matrix Energy. Matrix Energy Exploration and Production Company Limited is a subsidiary of Matrix Energy Group. With the exit of the International Oil Companies (IOCs), from some onshore and small fields, the company takes the advantage and opportunity to venture into the upstream sector.

We know that finding a meaningful and rewarding job can be a long journey. Our goal is to make that process as easy as possible for you, and to create a work environment that's satisfying - one where you'll look forward to coming to every day.

Establishing a robust haulage division vital to our supply and distribution operations, our rapid fleet expansion, which now comprises over 500 trucks, has greatly enhanced our ability to efficiently deliver our products to customers across the country.

With the exit of the International Oil Companies (IOC), from some onshore and small locations, it became imperative for us as Matrix Energy to move into the upstream sector, wherein we can ...

Matrix Energy. Matrix Energy Group is owned by Abdulkabir Aliu who is also the CEO of the company. At the helm at Matrix Energy Group is Abdulkabir Aliu, serving as the group managing director. The team comprises key figures like Luqman Salam-Alada, executive director downstream, and Aisha Said-Aliu, group head, business development and strategy.

Aliu has been the CEO of the Matrix Group since the company was established in 2005. Ever since then, he has stretched the company's goals to include exploits that might be considered the express ambitions of mad people. But that is indeed one way to describe Aliu and his team in the face of their many accomplishments in the oil sector.
