What is Huafu battery?

HUAFU Battery is famous for its quality and long life performance. Focus on deep cycle gel, pure gel battery, R&D on lead carbon battery, high temperature battery, develop in lithium battery. We provide all kind of battery solution for your application.

How Huafu can help you find the best battery solution?

Based more 30 years' experience on energy storage batteries, Huafu will help find the best battery solution for your different applications. Series kind of gel battery with patented technology meet the inquiry for different operation temperature condition with super performance, and provide the cost-effective solution.

What is Huafu deep cycle gel battery?

Huafu deep cycle gel battery, pure gel battery for different operation temperature condition, lead carbon battery Opzv, Opzs have the long life, stable and reliable feature. Huafu use pouch cell to manufacture the safe, reliable NCM lithium battery, LFP, LiFePO<sub>4</sub>, Li-iron battery solution.

Who is Huafu?

HUAFU - Engaged in being the leader of storage battery industry. HUAFU - Engaged in being the leader in scientific and technological innovation in the energy storage industry. More than 30 years experience, NO. 1 in sales of GEL battery in Chinses market, Participant of setting of lead carbon battery industry standard.

HUAFU is one of the most professional lithium battery manufacturers in China, specialized in providing high quality customized service. Please feel free to wholesale cheap high temperature battery made in China here from our factory. For pricelist, contact us now.
