Who is rebellion energy solutions?

Rebellion Energy Solutions contacted me regarding decommissioning old wells on the property. Their personnel are the best, all extremely knowledgeable, prompt, and willing to answer my many questions. They have a plan for restoring the sites to their original prairie ecosystem with a variety of native grasses and forbs.

Can rebellion help reduce methane emissions?

Rebellion is well positioned to address the ongoing strain of asset retirement services on the industry, while meeting increasing demand for reduction of methane emissions from which carbon offset credits can be generated and registered.

Does grey rock invest in rebellion energy solutions?

DALLAS-- ( BUSINESS WIRE )-- Grey Rock Investment Partners ("Grey Rock"), through its affiliated investment vehicles, today announced an agreement to make an investment in Rebellion Energy Solutions ("Rebellion") and fund additional growth of the company.

Why is the Energy Secretary facing a revolt from green Tories?

The Energy Secretary is facing a revolt from green Tories over plans to approve millions of pounds in subsidies for Drax, the controversial wood-burning power station. Carriers canceled more than 2,100 U.S. flights Monday as frigid conditions across the U.S. hit air travel for the third day straight.

Rebellion creates carbon credits with real community impact! Rebellion Energy Solutions is a woman-led carbon credit project developer with a multi-disciplinary team of experts committed to creating sustainable solutions through oilfield cleanup and environmental justice in a comprehensive effort to restore the land, reduce harmful carbon emissions, and create taxable ...

Rebellion Energy Solutions is a player within the VCM space generating carbon credits from plugging end-of-life and abandoned wells. The company identifies wells and their emissions, estimate the cost to plug them and then build a business case for carbon credits around them. With this system, they are able to sell carbon credits that will ...

Rebellion Energy Solutions is a woman-led business with a multi-talented team of experts committed to creating sustainable solutions through oilfield cleanup and environmental justice in a comprehensive effort to restore the land, reduce harmful carbon emissions, and create taxable revenue streams for communities.
