Our BVI Team works in conjunction with our US and Caribbean teams for your complete in-house, concept-to-completion renewable energy project.. Contact Us. Solar Island Energy will help your British Virgin Islands business save significantly on energy bills, have reliable, self-contained utilities, improve its long-term value, and be less dependent on fossil fuels.

2019 US Virgin Islands Code Title 12 ... To accelerate the growth of a commercially viable solar energy industry to make this system available to the public as an option that can reduce the fossil fuel consumption and costs to the Government, each government agency and instrumentality, including all branches of government, shall install solar ...

Since 2017, we've exceeded our goal of installing TWO MEGAWATTS of solar territory-wide. That's a lot of positive energy! Plus, we've donated a matching 100 percent of our marketing budget to local non-profit organizations and community projects that focus on strengthening energy resilience and sustainability.. We believe that by taking actionable steps toward a ...
