Our experience and expertise is second to none.

Is solar energy a good choice for homeowners in Ireland?

Solar energy is becoming an increasingly popular choice for homeowners in Ireland. The Department of the Environment's recent decision to reduce VAT on solar panel installations to 0% has made... The team at Renewables Ireland are dedicated to making sure your experience is the best possible.

Should you install solar panels in Ireland or in Northern Ireland?

When you install solar panels in Ireland or in Northern Ireland on your residential property, you won't be cut off from the Irish grid. You will just need to rely on it less frequently. The beauty of switching to solar electricity is that you are producing your own energy.

Will solar PV work on Ireland's overcast days?

Yes, solar PV systems will continue to produce electricity in daylight and therefore, will continue to work on Ireland's overcast days. On these days however they won't be able to produce power at their maximum rated capacity, rather at some fraction of this figure.
