

Every moment of each day, the sun releases vast amounts of solar energy. Remarkably, if we could harness the entirety of the sun's energy production for just one hour, it would suffice to power the entire planet for an entire year. Presently, humans are only tapping into a minuscule fraction, approximately 1/10,000th, of that available energy.

We aim to be the best solar supply and installation company in Vanuatu for households, communities, villages, aid posts, hospitality industry, tourism sector, agri-farms and schools. ... clean energy for all its people. Find out more. Connect with eTech Solar. 2024. More than ever, a great time to go solar!! Reduce your electricity costs.

Founded in 2011 by Chairman Glen Morris and Managing Director Laurie Kane, SolarPlus was established in partnership with the Smart Energy Council - Australia's independent body for the smart energy industry.
