

Who owns sound energy Morocco east limited?

RABAT, June 14 (Reuters) - UK gas company Sound Energy PLC (SOU.L) sold its subsidiary, Sound Energy Morocco East Limited, to Morocco's largest mining company, Managem, the two companies said on Friday.

What is the Sussex Energy Group?

Find out about the group and see its research themes. The Sussex Energy Group is co-directed by Dr Marie Claire Brisbois, Dr Mari Martiskainen and Dr Matthew Lockwood. The Sussex Energy Group aims to understand and foster transitions towards sustainable, low carbon energy systems.

Why is Morocco bolstering gas supplies?

Through its Energy Minister Leila Benali, the government is seeking to bolster gas supplies to consolidate the country's energy security. Morocco has been marked by diplomatic tensions with Algeria.

Who is Saha Gaz backed by?

Saha Gaz will be backed by Afriquia Gaz, Morocco's main butane distributor. Afriquia Gaz, which is controlled by Akhannouch via his Akwa Group, specialises in the distribution of liquefied petroleum gas, butane and propane. It joined forces with British gas company Sound Energy in 2021 to purchase and distribute its LNG for 10 years.

Why did Morocco not renew a gas pipeline contract with Algeria?

Morocco has been marked by diplomatic tensions with Algeria. Its North African neighbour decided not to renew the contract for the use of the Gaz Maghreb Europe (GME) gas pipeline, which expired on 31 October 2021.

Credit: University of Sussex: Stuart Robinson. Forthcoming research under the Energy Demand Research Centre (EDRC) Governance theme will examine how to assess these co-benefits to inform local and national policy-making, building on work done by EDRC Co-investigators Prof Tim Foxon, Dr Donal Brown, Dr Marie Claire Brisbois and colleagues under ...

On Wednesday 08 November the Sussex Energy Group held its annual keynote address - always a major event on the University of Sussex Business School's calendar. This year we were fortunate enough to have Chris Stark as our keynote speaker.
