

Svalbard and Jan Mayen pacific energy system group sdn bhd

The lease for the new facility commenced yesterday, 1 July 2012, and Dialight Penang Sdn. Bhd. is expected to start trading on 1 September 2012 when production begins. A local management team with extensive experience running similar electronic manufacturing facilities has been recruited. Roy Burton, Group Chief Executive, said:

We live in a world where businesses are increasingly technology and data-driven. It has become imperative for organizations to transform digitally to gain competitive advantage. As a boutique business and technology consulting group, Quandatics stands as the leading enabler of digital transformation in Asia Pacific.
