

São Tomé and Príncipe evyon battery

What is evyon battery energy storage?

Evyon provides a modular DC battery energy storage solution based on repurposed EV batteries for system integrators to integrate into a range of solutions. Scalable to fit your needs. Online-connected to maximize safety, performance, and longevity.

Does evyon use MBE batteries?

Evyon has already been using MBE's batteries in three different product categories brought to the market under the company's former name RePack. Today, Evyon is developing the next-generation energy storage product based on MBE's battery modules, with pre-sales aimed to start during the second half of 2022.

What is evyon EV?

About Evyon AS: Evyon exists to enable maximum value generation from second-life batteries by repurposing them in a safe, data-driven and cost-effective way. Evyon's proprietary hardware and Battery Cloud ecosystem enable the conversion of spent EV batteries into high-quality, affordable, and plug-and-play battery energy storage systems.

How does evyon work?

Evyon exists to enable maximum value generation from second-life batteries by repurposing them in a safe, data-driven and cost-effective way. Evyon's proprietary hardware and Battery Cloud ecosystem enable the conversion of spent EV batteries into top-quality, high-value, and plug-and-play battery energy storage systems.

Who is evyon?

Evyon consists of a passionate team of battery experts that is driven to build a world leader in planet-friendly energy storage. Evyon is supported by leading international and nordic venture capital investors.

What makes evyon unique?

Evyon has developed a novel, proprietary technology platform to provide EV batteries with a second life and deliver reliable battery systems for its customers. The two islands of Sao Tome and Principe hover just above the equator, 250km off the coast of Gabon. While other tropical paradises have been taken over by resorts, Sao Tome and Principe remain thankfully much as they were when the Portuguese first discovered them in 1470, save for the addition of the odd cocoa plantation and charmingly crumbling colonial town.
