

# Tangent energy Puerto Rico

What is tangent energy?

Tell us about your needs so we can discuss next steps. Tangent Energy is a market-proven Energy as a Service (EaaS) company that combines a proprietary industry-leading technology platform with expert insights and managed services to greatly enhance the operational and economic opportunities of distributed generation and storage assets.

Why should you use tangent?

Tangent's scalable, turnkey solutions are powerful enough to monitor and manage all distributed energy resources (DERs) in an energy provider's service area and precise enough to optimize economic returns from individual commercial and industrial customer energy systems and DERs.

How much money does Puerto Rico have to pay for solar?

Up to \$190 million is available to Puerto Rico's Housing Administration and a private company to pay for solar and battery installations in public housing common areas and subsidized, multifamily housing properties. Another \$175 million is available for certain healthcare and dialysis centers.

What is the Puerto Rico energy Resilience Fund?

The President authorized \$1 billion for the establishment of the Puerto Rico Energy Resilience Fund in 2022 to drive investments in renewable and resilient energy infrastructure on the island. A community benefits plan required by DOE "is being finalized and will be released to the public soon," the agency said.

Who is developing Puerto Rico's energy grid?

Development is led by Clean Flexible Energy, an indirect subsidiary of AES Corp. and TotalEnergies Holdings USA. A conditional loan guarantee was announced for the project in July. Puerto Rico is aiming to eliminate coal-fired energy generation by 2028 and develop a 100% renewable energy grid by 2050.

What happened to Puerto Rico's electricity grid?

A worker installs rooftop solar panels on a home in Puerto Rico. The island's electric grid was destroyed by Hurricane Maria in 2017, resulting in a plan to modernize and decarbonize. Courtesy of Sunrun This audio is auto-generated. Please let us know if you have feedback
