Potential customers can book an at-home energy assessment through Sun King's 8,400 field executives. From sales and installation to servicing and ongoing support, Sun King's field executives offer end-to-end customer support. "The Solar Inverter represents an order-of-magnitude leap forward in solar generating capacity for a Sun King product.

Solar power has a small but growing role in electricity production in the United Kingdom.. There were few installations until 2010, when the UK government mandated subsidies in the form of a feed-in tariff (FIT), paid for by all electricity consumers. In the following years the cost of photovoltaic (PV) panels fell, [1] and the FIT rates for new installations were reduced in stages ...
