

Who has legislative power in Vatican City?

However, according to the Fundamental Law of Vatican City State, "The Supreme Pontiff, sovereign of Vatican City State, has the fullness of legislative, executive, and judicial powers" for Vatican City. The pope delegates legislative authority for the state to the unicameral Pontifical Commission for Vatican City State.

Who is the head of Vatican City?

In addition to his spiritual authority, the Pope is also the head of the Vatican City, a sovereign city-state that operates independently of Italy. Vatican City, established as an independent state in 1929 through the Lateran Treaty, is the world's smallest country, but its unique status gives the Pope significant political power.

Are Vatican City and the Holy See indissolubly united?

The State of Vatican City and the Holy See, both sovereign subjects of international public law, universally recognized, are indissolubly united in the person of the Supreme Pontiff, as Head of State, who possesses full legislative, judicial and executive powers.

What is the Vatican City & why is it important?

The Vatican City is the physical seat of the Holy See, the central government of the Roman Catholic Church. For many centuries, the popes of the Roman Catholic Church held sovereignty over a wide band of territory across central Italy. In 1861, however, these Papal States fell under the control of the Kingdom of Sardinia.

Is Vatican City a sovereign state?

John R. Morss writes in the European Journal of International Law that due to the terms of the Lateran Treaty, Vatican City's status as a sovereign state, and the Pope's status as a head of state, are problematic. [clarification needed]

Is Vatican City a theocratic state?

Vatican City is one of the last remaining true theocratic states in the world. While technically the pope is the reigning elected monarch of the small state, several other facets within its government exist to make it functional. Namely, the separation between Vatican City (the state) and the Holy See (the Church).

The "block" I live on is roughly 88 acres (I'm rural-ish). Comparable in size to the 100-ish of Vatican City. These are power outages, folks.
